Late-night programming at Perishable Theatre:

**LIVE BAIT: TRUE STORIES FROM REAL PEOPLE**

**Friday, March 5th at 10pm. All seats \$5**

**At Perishable Theatre, 95 Empire Street, Providence, RI 02903**

Things don't always turn out the way we would like. There are things we might have done differently, things we should have said, things we shouldn't have said. But what if you had a second chance? A do-over? What would you do differently? Or maybe you did have a second chance. What *did* you do? Did it work? You want to talk about it?

If you have a story that is in any way, shape, or form connected to our March theme, "**Second Chances**," then come on down to **LIVE BAIT** and tell it. Or just come and watch others share theirs. All you have to do is sign up at the door and if we pick your name out of our hat, come up and tell your story. It's that easy. No notes, no rants, just tell your story like you're telling your friends over a couple of drinks. There is a five-six minute time limit; please respect it.

Everyone is encouraged, performers and non-performers alike. Don't miss this **Rhode Island Monthly Best of RI** winner for "Best Storytelling for Grown-ups," **Providence Phoenix Best of 2009 Editors' Pick** for "Best Excuse to Yammer On and On" and **Motif Magazine Theatre Award** winner for "Best Audience Participation Show."

**LIVE BAIT** is hosted by Phil Goldman. With musical accompaniment and original "theme" song by Jerry Gregoire.
